

Case No.  
CIV-22-767-HE

To Whom it may concern,

I am writing to confirm that my summons in Case No. CIV-<sup>22</sup>~~767~~-HE was filed & delivered correctly. I was transferred from Canadian County Detention Center to Lawton Correctional Facility & filed all the necessary change of address forms needed soon as I arrived here. I was allowed to continue in forma pauperis & was under the impression that all I had to do was mail you the clerk any & all motions filed, allowing for there to be a copy of each & everyone included for you, Judge, & each defendant. Which you would then have the U.S. Marshals serve the defendants. Is this proper procedure & if not then what is the proper procedure? If it is then I mailed the summons on the 28<sup>th</sup> day of September 2022, And would like confirmation of the dates the defendants were served seen as how 20 days since the serving has surely already passed & I'd like to submit a Declaration for Entry of Default to continue on with the progress of this civil suit without letting it get stagnant. I would also like to know the status of my motion filed for appointment of Counsel? I appreciate your time & help in response to this request.

Sincerely: *Jerry Ulrich*
